Introducing...
Virtual Wednesday Night Dinners! As United Methodists, a good covered dish and meals together are part of our Wesleyan DNA. We are encouraging each of you-couples, families, individuals, to connect with another fellow member-or members-and share a meal through FaceTime, Zoom, Skype, a good old phone call, or whatever other technology you want to use to connect! You will receive a suggested dinner scripture reading as well or pick your own to share together! If you need help pairing up with someone, contact Rev. Beth at 678-899-4316 and she will make sure you have someone to dine with! We'll be doing an interactive Facebook check-in through our Facebook page-St. Andrew UMC "the Pumpkin Church" each Wednesday evening at 7:30pm to see who's been eating with who, who's cooking what, and who might be cooking for the first time ever!

 Philippians 4:4-9**

Go to our homepage at thepumpkin-church.org and look for this blue link to make contributions from home.

If you are a church member in need of assistance with shopping for groceries, picking up medication, etc. and feel vulnerable leaving your home, we have several volunteers from our congregation willing to help. Please contact the church office at 770-926-3488 and we will put someone in touch with you.

UMM Easter Food and Basket Delivery
Saturday, April 4th at 9:00am

Please continue to shop and drop off items from the food list as the stores replenish. There are only 11 days left to collect food, and we still need at least 45 of each item on the grocery list. Feel free to substitute items with something similar on the shelves. If you are not able to go shopping but can make a monetary donation, that would be greatly appreciated.

We have a large request from the community this year, and want to help as many families as possible. The deliveries will be done via drive-by the church; we will load your car so you do not have to get out. You may also call ahead and let the family know that the bags have been left on their porch. Our first priority is to keep our congregation safe and keep our social distance from each other.
