

# The Practice of STUDY for KIDS!

Why study the Bible?

God loves you!

Study is a discipline ordained by God for the training of the mind in “righteousness and peace and joy in the Holy Spirit.”

Studying God’s word is a way to grow closer to God by building a relationship with him.

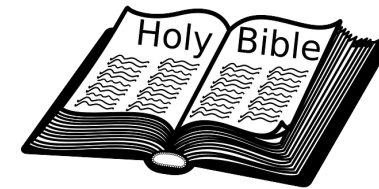

The four areas of study are repetition, concentration, comprehension and reflection.

Listed in the boxes below are resources for parents to help teach your children how to study, learn and grow in God’s word.
